

2012 New Product Announcements:

Oklahoma Sound

1. Given the huge popularity of the "Vision" contemporary Lectern...

We are proud to announce an expansion of the category to include a sound package, and a sleek non-sound model. Same refined appearance without a screen. See model #s below:

- #612 with a screen/non-sound
- #612-S with a screen/sound
- #611 without a screen/non-sound
- #611-S without a screen/sound

2. With the expansion of our contemporary laminate color options, Oklahoma Sound will now be offering "Wild Cherry", an exciting new color that has taken off in our market, on models #70/#22/#112/#222/#600/#6010.

3. Great Savings Package:

Orator Sound Lectern with Wireless Sound Package & Rechargeable Battery (800-LWM5-PS12V) \$60 upcharge
Orator Sound Lectern with Wireless Sound Package (800X-LWM5) \$35 upcharge

4. With the advancement in technology from Oklahoma Sound, our amplifiers offer built in transmitters allowing for optional wireless microphone accessories. No longer are conversion kits necessary to take advantage of wireless sound.

Hence we will be discontinuing:

- Hand Held Wireless Conversion Kit (WM-100H)
- Tie Clip Wireless Conversion Kit (WM-190TC)
- 70 Grey- To make way for the more popular laminate color options the 70 Portable Presentation in Grey will be discontinued.
